

RECRUITER INFORMATION

Startup Fair Logistics

Check-in and setup begins at 9:15 am on Tuesday, 9/17 for the Startup Fair. Please make your way to the Siebel Center for Computer Science at 201 N. Goodwin Ave, Urbana, IL. Starting from 9:15 am, company check in will take place on the west side of the building at the tables set up outside the ACM office. The fair starts at 10:00 am and goes until 4:00 pm.

We will be providing you with a table, chairs, and water bottles. There will be complimentary lunch at noon in Siebel 2405 for any company representatives.

Shipping Recommendations

We will provide storage for shipped job fair equipment. Ship your packages to:

[Company Name]
C/O Reflections Projections
201 N Goodwin Ave
Urbana, IL 61801

Please notify cs-receiving@mx.uillinois.edu with items to be received and any available tracking information for the packages. We will also provide package pick-up after the fair, but we are not responsible for handling packages that are too damaged to be shipped. We cannot pay any shipping fees for you.

Travel Recommendations

AIRPORTS

- University of Illinois - Willard Airport — 7 miles from campus
- Central Illinois Regional Airport — 50 miles from campus
- Chicago Midway — 128 miles from campus
- Chicago O'Hare — 149 miles from campus

CHICAGOLAND-AREA TO CHAMPAIGN

- Rent a car - 150 mile drive south
- Amtrak from Union Station in Downtown Chicago (take the blue line from O'Hare to go Downtown)
- Peoria Charter Bus - \$57 round trip (needs pre-booking)

For on-campus transportation, Champaign has buses, rental cars, taxis, Uber and Lyft.

Hotel Recommendations

Closest hotels to the Siebel Center:

- TownePlace Suites by Marriott along 6th Street
- Hampton Inn along University Avenue

There is no established number of nights for speakers to stay at the conference. There are options available to limit or lengthen your stay based on other conference activities/interests/commitments that may occur over the weekend.

Parking Options

We will provide free parking in a nearby lot for the day of events. With the parking tag given at check-in is displayed, parking at any university metered space is free. There are spots along Matthews and in the first and second floors of the parking garage on University and Goodwin.
