

# R|P Career Week

Reflections | Projections 2019  
University of Illinois  
at Urbana-Champaign

Hello!

We would like to invite you to participate in the Startup Fair at Reflections | Projections, an annual tech conference and career fair hosted by ACM@UIUC and the University of Illinois Department of Computer Science.

The Startup Fair is tentatively scheduled for **Tuesday, September 17th, 2019**. Other networking and branding opportunities, such as workshops, tech talks, corporate days, and socials, are also available throughout the week. Every year, Reflections | Projections attracts over 2,000 students from UIUC and nearby campuses, around 1500 of whom are CS/ECE. Participating in the Startup Fair and other events is an excellent opportunity to recruit from a talented pool of students and spread awareness of your brand. This is our **25th year** hosting the conference, and we are expecting levels of attendance and interaction to be higher than ever.

The next page has more details on how to participate. If you have any questions, please reach out to us at [corporate@reflectionsprojections.org](mailto:corporate@reflectionsprojections.org).

We look forward to working with you to make Reflections | Projections 2019 a valuable experience for both your company and our students.

Sincerely,

R|P Corporate Committee
