R|P Career Week

Reflections|Projections 2019
University of Illinois
at Urbana-Champaign

Hello!

We would like to invite you to participate in **Reflections | Projections**, an annual tech conference and career fair hosted by ACM@UIUC and the University of Illinois Department of Computer Science.

Every year, Reflections | Projections attracts over 2,000 students from UIUC and nearby campuses, around 1,500 of whom are CS/ECE. Participating in our Career Fair and corporate events is an excellent opportunity to recruit from a talented pool of students and spread awareness of your brand.

This year, the conference will run from September 16th to 21st, with our Career Fair scheduled for **Wednesday, September 18th**. Additional networking and branding opportunities — workshops, corporate days, socials, and special sponsorships — are also available throughout the week.

The next page has more information on how to participate. If you have any questions, please reach out to us at **corporate@reflectionsprojections.org**.

We look forward to working with you to celebrate the 25th year of Reflections | Projections and create valuable opportunities for your company and our attendees.

Sincerely,

R|P Corporate Committee
